Compensation earned by the Firm for these products is separate from the advisory fees it receives from you.

These practices may present a conflict of interest because it gives the Firm an incentive to recommend products based on the compensation amount received. This conflict is mitigated by the fact that Beacon has adopted a code of ethics that requires all associated persons to place the interests of clients first. We will explain the specific costs associated with any recommended insurance products and investments with you. Additionally, you have the option to purchase investment and insurance products through other brokers or agents who are not affiliated with us. You are not required to do business with Mr. Radford in any of these capacities.
